Job description

We have a clear vision at our Academy: all students will have the opportunity to climb the stairway to University, or a real alternative, and lead a fulfilling and happy life. We are committed to doing whatever it takes to ensure that every child at our Academy achieves academic success. We firmly believe in a structured environment which is founded upon high expectations and no excuses. We believe that all of our students, regardless of starting point, have the ability to fulfil their potential; and through great teaching and learning they will go on to become valuable and happy members of the community in which they live. We are seeking an experienced Senior Science Technician to support the teaching and learning within the Science department, to provide effective and efficient technical assistance. You will lead another technician in managing classroom resources, utilising an array of technical equipment and prepared materials. Oasis Academy Wintringham is committed to safeguarding and promoting the welfare of children. The successful applicant for this post will be subject to an Enhanced disclosure check by the DBS.
